- ◆ **Keynote Address:** "THE FIVE Cs of LEADERSHIP. Dilip R. Abayasekara, DTM, AS, PIP
Have you ever wondered about the "big picture" of leadership? At management training, we learn the "nuts and bolts" of how to perform the duties of our specific assignments. "The Five Cs of Leadership," on the other hand, is focused on what it takes to excel as a leader. It addresses five qualities that can be cultivated in each individual so that he or she has a powerful and profound impact on his/her organization. The "Five Cs" is for every person who wants to excel in leadership, personally and professionally. In this keynote address, Dr. Dilip will share with you his insights about the leadership aspects. They are both simple and life-enhancing
